DEDICATION SERVICE IN RIVERA

From Seeds to Sanctuaries!

We're thrilled to share that construction of **Church #29 in Rivera is complete** and a powerful dedication service marked this incredible milestone. The moment was deeply moving – **the pastor couldn't hold back tears** as he expressed his overwhelming gratitude for your partnership.

For years, their congregation dreamed of having a place to call their own, a space they could use throughout the week to disciple children, reach youth, and minister to men and women. They gathered faithfully under a tent, in a garage, and even a rented building, never allowing lack of resources to dampen their vision. They prayed, sacrificed and saved. Eventually, they were able to purchase a piece of land and thanks to **your generosity**, we came alongside them to **build their very first sanctuary**. Today, their dream is a reality. And because of it, they are **better equipped to reach and disciple families** in their city like never before.

The **church building in Benzo is nearly finished**, and we're preparing to dedicate it in the coming weeks. Immediately after, construction will begin in **Santa Rosa**, where a passionate church plant has recently acquired

property. They are ecstatic to begin building their first sanctuary and we're honored to partner with them.

Renovations to the **dormitories and bathrooms at the residential Bible School in Montevideo** are going well. After 30 years of faithful use, these facilities are getting a much-needed update. This campus continues to play a vital role in **training church planters and equipping future spiritual leaders** who will shape the future of the church in Uruguay and beyond.

Jill continues to serve on the worship team at our home church in Montevideo, pouring into the local church with her gifts. Steve had the privilege of representing AGWM at the Church Multiplication event at River Valley Church in Minneapolis and also helped serve at the Latin America Caribbean booth during General Council.

We are **deeply grateful** for your **prayers and sacrificial support**. Your commitment has been the cornerstone of our mission and the fuel behind every step forward. Together, we are planting churches, training leaders, and expanding the Kingdom – **creating a legacy that will echo for generations**.

Love,
Steve, Jill, Lucas, Josh & Julia

KIDS CORNER

LUCAS: It's 7th grade for me now, and off to a good start! I am busy with sports (as always!) playing lots of soccer, as well as basketball and volleyball. When I have free time, I like riding bikes and hanging out with my friends. A couple of weeks ago we met a famous soccer player, Federico Valverde, which was really cool! He plays for the Uruguayan national team, as well as Real Madrid in Spain. We took selfies with him and it was the talk of 7th grade the next day. I also celebrated my 12th birthday! "12 going on 20" says Mom. ;)

JOSHUA: I had a lot of fun during school vacation, and am happy to be in 4th grade now. I do get more homework, but I don't mind. I had to give a presentation about a role model for my class, and I chose to do Forrest Frank because he's a Christian, makes catchy music, and writes good lyrics with no bad words! I've talked a lot about being a Christian to my friends this year! I'm also playing a lot of sports, and have added an art class once a week. I especially like painting and using clay!

JULIA: I got to be a flower girl in my Aunt and Uncle's wedding and it was so special! I felt like a princess in my pretty dress and it was so fun to celebrate them getting married! Then the school year started and Mom got a little emotional because I started kindergarten, my first time going to school all day long. I love it though and am learning so much... like how to read! I also felt especially proud when I got to put my name in the "kindness bucket" and was chosen to be the "Star of the Week" for working well with my classmates!
